Technical skills

- OOP: C++, Java
- Python: matplotlib, numpy, pandas
- NodeJS, React
- Git
- MatLab, R
- Agile, Scrum

Languages

English: fluently professional

French: fluently professional

German: beginner

Vietnamese: native speaker

Projects

(on my website)

- NodeJS Express Server and Frontend by framework React for search engine of Japanese animes
- Agile project in 4th year at INSA de Lyon using Java to create a delivery app on PC platform
- Estimation of the Line Spread Function using Python script and libraries (matplotlib, numpy, astropy...) in the internship 2022

Ngoc Minh NGO

Student in Computer Science

Passionate about new technologies, especially in the field of Computer Science, I want to move towards CS training to become a Data Analyst.

Education

Sept 2021 - present

National Institute of Applied Sciences of Lyon (INSA de Lyon)

Master of Engineering (Diplôme d'ingénieur)

- Currently a fourth-year student,
- Holder of Berger Scholarship: INSA de Lyon Foundation conducted by the Gaston Berger Institute identifies students with outstanding academic performance.

Sept 2019 - June 2021

CY Tech Cergy

Preparatory class of science

- Annual average of the 2nd year: Math (18.6/20), Base of Computer Science (17.8/20), Physics (15.6/20).

Work experiences

June 2022 - Sept 2022

- Astrophysical Research Center of Lyon
- Data Analytics Intern
- Internship – Use the prototype and the Python script to analyze the variation of the Line Spread Function (LSF) data of the HARMONI instrument of the European Southern Observatory.

June 2020 - Oct 2020

- Private tutor of Maths and Physics
- Tutor at home for Mr. Vu Anh BUI, a high-school student who struggled with studying remotely, 4 hours per week.

Extra-curricular activities

- Vietnamese Club of INSA de Lyon: organize many events like: tournament of sport, cooking meals at INSA de Lyon.
- Lion Dance - HongTeck Lion: traditional and cultural activity of Vietnam. We do shows around France and Europe in the Lunar New Year.
- Versatile assistant at Vietnam Red Cross for 3 months Sept - Nov 2018. We were in charge of holding the international conferences for promoting humanitarian activities in Vietnam.
- Bronze medal in 50m backstroke, Hanoi University of Science and Technology swimming competition in Oct 2017.
